

February 2018

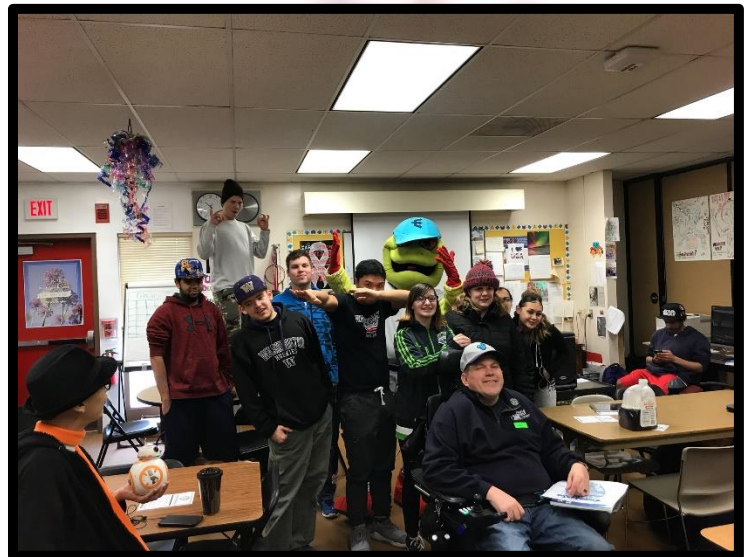

Community Outreach

On February 11th, 6 staff members volunteered their morning at the Special Olympics Regional Basketball Tournament.

Staff members participated by running the clock and keeping score. The 2018 Special Olympics will be held this July, in Seattle, WA.

On February 21st, Webbly had the pleasure of surprising a group of special needs students at Marysville-Pilchuck High School with tickets to one of our games this summer! They were presented on behalf of People First of WA, a group that helps teens transition into the workforce after high school.

Mascot Mania was quite the hit on February 18th! Webbly traveled down to Kent, WA to participate in the Seattle Thunderbirds Mascot Mania Event and on February 25th, he also participated in the Everett Silvertips Mascot Mania!

We rounded out the month of February by attending the Mukilteo Chamber of Commerce Healthier Community Event and encouraging patrons to enjoy the summer outside by attending one of our 38 home games!

Last, but not least, we kicked-off our Hit-A-Home-Run in Reading program at Forest View Elementary School on February 26th. They have over 700 students participating this year!
