

2017 ANNUAL REPORT

Executive Director of
RoughRiders Foundation

BREON DENNIS

A NOTE FROM THE DIRECTOR

As we look back on another year, the difference the Frisco RoughRiders Foundation made in our community is a source of pride for the entire RoughRiders family. We remain steadfast in our commitment to positively impact lives in Collin County and throughout North Texas. The success of our community initiatives in 2017 led to the Frisco RoughRiders nomination for the MiLB John Henry Moss Community Service Award. This past year, the RoughRiders Foundation was able to donate more than 13,000 tickets to schools and families, and to raise more than \$150,000 from ticket sales and game day fundraisers for charities in the North Texas area. Just some of the Foundation's many initiatives included partnerships with Children's Health Hospital for the Home Run for Life program; the MVP Student program; Healthy Fit Challenge with schools in Collin County; and volunteer efforts with Frisco Family Services, Plano Animal Shelter and Dallas-Fort Worth National Cemetery. We look forward to doing more in 2018!

Bull Moose broke a sweat this year by presenting the RoughRiders Healthy Fit Challenge to more than 900 elementary school kids around Collin County. During the Healthy Fit Challenge, kids take “a run around the bases” with Bull Moose to learn how to have a healthy, well-rounded lifestyle through demonstrations involving nutrition, stretches, exercises, and the importance of a good night’s rest.

These hours are equivalent to over \$10,000 worth of labor. #WeLoveOurCommUNITY

Without the RoughRiders players, front office, and fans, the Frisco RoughRiders Foundation would not be able to assist the wide variety of non-profits, schools, and commUNITY partners in our area. Thank you so much to everyone involved for making a difference around Collin County and North Texas.

“ There are so many necessities of life that the homeless do not have. When community leaders like the RoughRiders Foundation conduct donation drives such as March Gladness, it makes a big impact on the homeless families and individuals we serve at the Samaritan Inn. Last year we were supplied with appropriate seasonal clothing for our residents, full-sized sheets for our beds, and blankets. We are counting on the success for this year!”

- **CAITLIN HOLSTON**, The Samaritan Inn

“ We are proud to partner with the Frisco RoughRiders Foundation in helping to make our seniors a little more comfortable and cool in the high heat of Texas. Their impact on the community is impacting the quality of life on all, from age 9 to 90!”

- **STEPHEN HOOD**, Wellness Center for Older Adults

“ They assisted in the preparation and organizing of donations for the Thanksgiving Meal Distribution which took place on Saturday, Nov. 18th. Without the support of volunteer groups such as the RoughRiders, we would not be able to fill our mission and serve the community of Frisco the way we do.”

- **ELAINE SMITH-POYOUROW**, Frisco Family Services

“ With every task they complete, volunteer groups expand the bandwidth of shelter operations that help more animals find their forever homes. We are so grateful to the Frisco RoughRiders for their commitment and service to the community.”

- **REBECCA FINBERG**, Plano Animal Shelter

“ Groups such as the RoughRiders and other major corporations and charitable organizations are so important. It's good citizenship. When families come out to visit their loved ones and see the volunteers, it's another way to let them know we appreciate the service of their loved one.”

- **ELDON A. WOODIE**, DFW National Cemetery
