SLEEPOVER RULES
We ask that all scouts, scout leaders, and participants observe the following rules. It will make the event more enjoyable for everyone, and will keep the cost down for future years.

DO:
- Treat the field with care
- Stay in the outfield at all times
- Carry all equipment on to the field
- Use electric devices for lighting
- Bring snacks for sleepover portion only. No food or drink is allowed to be brought into the game.
- Pack on the lighter side with only the essentials. You will be awake on the field for a few hours at most. This also allows for more people to attend the sleepover.
- Bring a tent that is equal to the size of your group. Please do not bring a 6 person tent for 2 people. This also allows for more people to attend the sleepover.

DO NOT:
- NO plastic or tarps between tent and grass. Please only put plastic or tarps on the inside of tent.
- NO rain guard. Please don’t spray rain guard on tents. It washes off and kills the grass.
- STAKE DOWN TENTS; no stakes allowed – confiscated stakes will NOT be returned.
- Go on infield grass at anytime.
- Use heating devices
- NO wheeled wagons, coolers, etc. Please carry everything on to the field.
- DO NOT spray BUG SPRAY on the field. Please go to main concourse to apply bug spray; spray will kill the grass.
- Bring anything flammable (lighters, candles, kerosene lanterns) onto the field.
- NO ALCOHOL – this shouldn’t be listed, but it has been a problem. Confiscated alcohol will NOT be returned. The Toledo Mud Hens reserve the right to escort anyone caught with alcohol off the premises without refund. The Boy Scouts of America and the Girls Scouts of the USA both support non alcoholic family friendly events.
- Bring pets of any kind, shape or size.
- Smoke (Fifth Third Field is a non-smoking facility AT ALL TIMES due to state regulations).
- THROW any objects, at anytime, includes but not limited to baseballs, footballs, Frisbees, etc for safety reasons.
- Bring chairs of any kind as the legs will damage the field.
RAIN OUT POLICIES

In the case of inclement weather please read and understand the information below. Please make sure that all members of your group are aware of this information so there is no confusion before, during, or after the event if inclement weather occurs.

Note that we would never cancel a game before the scheduled start time and possible rain delay. That being said, we recommend that all fans that have game tickets show up on time as usual. There is no “rainout line” to call as we make every effort to get our games played, even if it means a lengthy rain delay.

If the game is cancelled, so is the sleepover. If the game is played, the sleepover would only be cancelled if the weather forecast calls for very severe storms overnight or the field cannot take the abuse. Rain checks for the ballgame will only be issued in the event of a “rainout” as defined on the back of your game ticket.

There will be NO REFUNDS on game tickets, sleepover wristbands, or coupons purchased. See Rainout Scenarios and Options below.

Rainout Scenarios:

**Scenario 1**
Game played but sleepover cancelled – In the event that the game is considered complete after 4 ½ innings but does not finish due to rain and the sleepover is cancelled please note the following.

In this scenario your game ticket has been officially redeemed for an official game and not valid for another game. However, you have sleepover wristbands, snack pack coupons, breakfast coupons, or even T-Shirt coupons not used that must be redeemed for another sleepover dates. It is your responsibility to hold onto any unused sleepover wristbands or coupons and to contact Brian Wilson at 419-725-9292 or scouts@mudhens.com the week after your sleepover rainout to reschedule your sleepover wristbands based on the options below.

**Option 1** – Reschedule for one of the remaining sleepover dates on the 2018 game schedule. This option would require you to purchase new game tickets (based upon availability). Game tickets and sleepover are based upon availability.

**Option 2** – Reschedule for a sleepover makeup date to be determined. Any make-up date(s) for the sleepover will be scheduled for toward the end of the season on a non-game date. This date will be communicated to the person on the original scout order.

**Scenario 2**
Game and sleepover cancelled – In the event that the game is rained out before it is a complete 5 inning game and the sleepover is cancelled please note the following.

In this scenario your game ticket fall’s under the Rain Check Policy. You also have sleepover wristbands, snack pack coupons, breakfast coupons, or even T-Shirt coupons not used that must be redeemed for another sleepover dates. It is your responsibility to hold onto any unused sleepover wristbands or coupons and to contact Brian Wilson at 419-725-9292 or email at scouts@mudhens.com the week after your sleepover rainout to reschedule your sleepover wristbands based on the options below.

**Option 1** – Reschedule for one of the remaining sleepover dates on the 2018 game schedule. Because your game tickets fall under the Rain Check Policy you may redeem them for new game tickets to one of the remaining sleepover dates at no cost. Game tickets and sleepover are based upon availability.

**Option 2** – Reschedule for a sleepover makeup date to be determined. Any make-up date(s) for the sleepover will be scheduled for toward the end of the season on a non-game date. This date will be communicated to the person on the original scout order. This option takes care of the redemption of your sleepover wristband and coupons but you will still want to redeem your rain checks for another game during the 2018 season so your rain checks do not go to waste.

**Rain Check Policy**
**Game Tickets** – the Mud Hens do not offer refunds on game tickets purchased. Keep your tickets; they can be used as a rain check for any future Mud Hens 2018 regular season home game (based upon availability).
FAQ’S and Opportunities

The scouts will participate in a pre-game parade starting 1 hour before the scheduled game time located on the 3rd base side of the ballpark in the main concourse (lower level) (Please Meet at the Top of Sections 103 & 104 – A member of our Promotions team will be there to meet you).

POSTGAME FIREWORKS - Immediately following the completion of the game, postgame fireworks will begin. Immediately following the completion of the fireworks, Scouts and families are encouraged to leave through the home plate gate to collect all of their sleepover gear for the night and reenter through the same entrance.

SCOUTS RUN THE BASES – The Scouts will run the bases when they re-enter the stadium (Home Plate entrance), after getting their sleepover gear from their cars. The entrance to the field is between section 116 and 117.

The Mud Hens will provide entertainment until lights out. Scouts will get their sites ready and lights out will be no more than 15 minutes following the conclusion of the night’s entertainment. Lights out will vary based on the length of the baseball game.

BREAKFAST - The following morning all campers will clean up their sites. Wake up call will be at 7 a.m. Camping gear needs to be removed from the field by 8:00 am and before proceeding to breakfast. By cleaning up after yourselves you will help in keeping the costs down in future years.

How do I get my patches?
Patches are available to those who have purchased the VIP Scout Sleepover Experience and will be enclosed in the package that is mailed to the person who placed the order. If you do not receive patches in the mail, please let us know. Only scouts sleeping over will get patches.

Where do the scouts store their camping gear?
Scouts will need to keep their gear in their chaperone/scout leader’s vehicle during the game.

Where do I pick up my Scout Sleepover hat that I ordered?
If you purchased a scout sleepover hat you will need to redeem your hat coupon near section 119 on the main concourse on the day of your game only. The coupon should be enclosed in the package that is mailed to the person who placed the order (if not call us). Section 119 is located in the right field corner on the 1st base side of the ballpark. Please see the attached map for your reference.

How/When/Where should we transport our camping gear onto the field?
How? We must ask that you NOT bring wagons or coolers with wheels onto the field. All camping gear transport should be done by CARRYING items onto the field.

This gate will lock for the evening approximately 1 hour after the game/fireworks ends. You will not be allowed onto the field until it is safe.

Where? Sections 103-104 and 118-119 will be the ONLY entry points onto the field when bringing in your equipment and tents. Please adhere to the diagram when placing and setting up all tents (See Appendix B). Mud Hens staff members will
direct you where you should place your tent. **If you desire to be with a group of people we recommend getting in line together and be as close to the front of the line as possible to provide you the most options.**

**What do we need to get into the sleepover?**
There will be a Scout wristband included in your sleepover packet; you will need to put this on your wrist to enter for the sleepover portion of the night. The Toledo Mud Hens do not have a parking lot. We use existing parking lots in the downtown area. Most parking companies are aware of our scout sleepovers, so when you pull into a parking lot let the attendant know you are going to be attending the sleepover and your car will remain overnight. Most parking companies do not have a problem because you will be gone by 9:00 am the next morning. For a parking map of Downtown Toledo see Appendix A or go online [http://www.mudhens.com/parking](http://www.mudhens.com/parking) The Toledo Mud Hens are not responsible for lost, stolen, or damaged property in the parking lot or Fifth Third Field. If something should occur, it is the sole responsibility of the vehicle’s owner to contact the Toledo Police and notify the parking lot company of any theft or damage.
