Classic Park Facility Rental Guidelines:

No outside food or drinks are permitted to be brought in to Classic Park. Captains Concessions will operate food & beverage sales during the event and will retain all revenue generated from concession sales.

The Captains Director of Field Turf Operations, in his sole discretion, will determine if the field is playable for a game. In the event the field is determined to be unplayable, every effort will be made to reschedule the event on a mutually agreeable date. If that is not possible, the event may be hosted the following year (no refunds will be given). A game will be considered “officially played” based on the governing rules of the league.

Fans are permitted to sit in the grandstand seating sections located between each dugout. No non-uniformed persons are permitted to access the playing field at any time during the event.

Certain seating sections may be determined to be inaccessible, depending upon the anticipated crowd size.
