PICNICS

Whether you're looking to entertain business clients, reward employees, or enjoy a gathering of family and friends, professional baseball at Kindrick Legion Field is a great way to enjoy the company of your group. Our group picnics are All-You-Can-Eat, and feature multiple food options with desserts provided by Great Harvest Bread.

There are three different picnic areas at Kindrick Legion Field. **The Collision Pro MVP Deck** is ideal for entertaining larger groups. Located on the 1st base side and directly next to the visitor's bullpen, guests in this picnic area can relax and enjoy the sights and sounds of the entire ballpark. **The 3rd Base Picnic Area** is the perfect area to entertain groups of up to 60 people. This picnic area is located right on top of the visitor's 3rd base dugout, where you can watch the game right on top of the action on the field. **The Pregame Party Patio** is built to hold groups of up to 150. Located on the first base side behind the general admission bleachers, groups will enjoy their private picnic from the opening of the gates to the start of the game. Before the first pitch, fans will have the option to move into the Reserved Seats to watch the remainder of the ballgame.
