## Dayton Dragons (31-35) at West Michigan Whitecaps (34-34)

RH Adrian Rodriguez (3-3, 6.32) vs. RH Dane Myers (2-1, 2.97)

**Today's Game:** The Dayton Dragons (affiliate of the Cincinnati Reds) meet the West Michigan Whitecaps (affiliate of the Detroit Tigers) in the second game of a three-game series. **Season Series to Date:** Dayton 2, West Michigan 2. **Current Series to Date:** West Michigan 1, Dayton 0.

**Last Game:** Friday: West Michigan 5, Dayton 4. The Whitecaps scored two runs with two outs in the bottom of the ninth inning to earn a walk-off win. With Dayton leading 4-3 in the ninth and runners at first and second with two outs, Cole Peterson hit a sinking liner to center field. Dayton's Stuart Fairchild tried to make a diving catch to end the game, but the ball skipped past him, allowing both runners to score as the Whitecaps took the first game of the set. Dayton collected 12 hits including home runs by Fairchild and Mark Kolozsvary. Randy Ventura, Alejo Lopez, Jose Garcia, and Fairchild each had two hits.

### 2018 Team Notes

- The Dragons collected 12 hits last night, their highest hit total in a game since May 21. They had failed to reach double figures in hits in 20 of the last 21 games prior to last night.
- The Dragons have committed just two errors in their last nine games.
- Dragons pitchers have allowed just 10 runs (eight earned runs) in the four games on the current road trip (34.2 innings), posting an ERA of 2.08.
- The run totals for South Bend in the last series (2, 1, 2) marked the three lowest run totals of the season for a Dragons opponent in a Dragons road game. Dragons pitchers had not allowed less than three runs in a road game until that series.
- The Dragons threatened to tie the franchise record for most home wins in a half (25), but came up short. They entered their final series, a four-game series with Bowling Green, with 22 home wins in the first half, but they were swept in the series.
- Meanwhile, the Dragons need to win their remaining two road games in the first half to avoid tying the club record for fewest road wins in a half. The club record is 10 road wins, and the Dragons have nine. The Dragons will play three fewer road games in the first half than the scheduled number of 35 due to three postponements at Great Lakes in April.
- The Dragons are 22-14 at home; 9-21 on the road. Their team ERA at home is 4.44 compared to 6.12 on the road. They are scoring more runs per game on the road (4.7) than at home (4.3). They have allowed 29 unearned runs on the road compared to 12 at home.
- The Dragons team ERA in their 31 wins is 3.21 (278 IP, 99 ER). The ERA in the 35 losses is 7.06 (294.1 IP, 231 ER).
- The Dragons are 17-14 in one-run games, with 31 of their 66 games decided by one run. They are 23-1 when leading after eight innings (the only loss came June 5 at Lake County).
- The Dragons have come back to win four games in which they trailed by at least three runs including two in which they trailed by six runs. However they have also lost six games in which they led by at least three runs.
- The Dragons are 4-19 against Bowling Green and Lansing this season; 27-16 against the rest of the league.

**Never, Ever, Ever:** On May 22, Dayton's Jeter Downs ended the first game of a doubleheader with a walk-off RBI single, then led off the bottom of the first inning in the second game with a home run. Downs had two consecutive Dayton at-bats on the same day (no other Dragons player batted between his two at-bats), driving in runs in both. Jason Stark of *The Athletic* checked with Elias Sports Bureau, the official statistics service for Major League Baseball, and found that, at the big league level, no player in baseball history has ever had two consecutive at-bats for the same team on the same day and recorded RBI in both at bats.

## The Dragons MVP Program

The Dragons expanded elementary school MVP Program reaches five counties and more than 1,100 classrooms. Schools in Montgomery, Greene, Clark, Miami and Warren counties are part of the program that includes 1,116 fourth and fifth grade classrooms in 183 schools over 48 school districts. About 34,000 children will participate. The program is in its 13th year in 2018. The Dragons MVP Program presented by Bob Evans Farms is also made possible by the generous support of CollegeAdvantage, Sinclair College, WDTN-TV and Dayton's CW. Due to the support of the participating sponsors, the program is completely free of charge to the schools.

**How does the Dragons School MVP Program work?** The teacher in each of the classrooms over a five-county area (Clark, Greene, Miami, Montgomery, and Warren) selects five MVP's based on the teacher's judgment of performance, effort, citizenship, and improvement. The five MVPs selected by their teacher in each classroom receive four tickets to a Dragons game, tickets to a special Field Day event at the stadium during the season, an MVP certificate and a Dragons MVP hat. Dragons players and mascots visit selected classrooms over the course of the season. Additionally, 16 Dragons games during the season are designated as "MVP Game Nights." On those nights, one MVP gets to throw out the ceremonial first pitch to the game, another does an on-air interview during the Dragons game broadcast on Fox Sports 980, and another participates in an entertainment skit during the Dragons game.
