This number will be considered a guarantee, not subject to change, and charges will be made accordingly. If the Catering office receives no guarantee, we will assume the expected number to be your guarantee.

OUTSIDE FOOD SOURCES

Neither the patron nor its guests or invitees will be permitted to bring food and/or beverages to a catered event to ensure the food served has been prepared in a kitchen that is subject to inspection by the Kanawha County Health Department and the criteria issued by the Kanawha County Health Department for handling, cooking, holding, and serving of said food. Special occasion cakes and cupcakes are the only exception.

REMOVAL OF FOOD FROM PREMISES

Due to the potential for unsafe transfer and storage, no food purchased for consumption at WV Power Catering events may be removed from the premises. The reason for this policy is one of compliance with health regulations; food is extremely perishable and, when prepared for on-premise consumption, should not be taken off property. Any food not consumed during an event will remain property of WV Power Catering. In compliance with West Virginia DUI laws, neither the patron or its guests or invitees will be permitted to leave the WV Power premises with alcoholic beverages.

The client is responsible for and shall reimburse WV Power Catering for any damage and/or loss or liability incurred by the WV Power by any of the clients' guests or any other persons or organizations contracted by the client to provide any service or goods before, during, or after the function. Any items to be put on any meeting or lobby walls and any directional signs must be approved by the WV Power.

PAYMENT

If your group is tax-exempt, a State Sales Tax-Exempt Certificate is required to be on file at the WV Power Catering office prior to the function. Tax-Exemption will only be honored if payment for the function is made by check or credit card from the appropriate tax-exempt organization. No Tax-Exemption will be honored with a cash transaction or personal check. Payment in full will be requested the day before the event unless prior credit has been established. Estimated charges are required to be paid in full three (3) days prior to your event. Any additional charges will be added to your final bill. In the event your final charges are not paid within ten (10) days, your credit card will be debited for the total amount owed. If you cancel your event two (2) weeks before the event date, you will have six (6) months to reschedule without forfeiting your \$100.00 deposit.

TESTIMONIES

When it comes to your entertainment, we pride ourselves on offering the best product in town. Our catering department is no exception. Whether it's taking in a baseball game or hosting your holiday party, the West Virginia Power offers a variety of options that are sure to meet your needs. Below are just a few testimonials from guests for whom we've provided catering.

"When we were searching for a nice place to have our reception, we were looking at hotels, ball rooms, and reception halls. We were at a Power game one night and saw a brochure for events. We called, and Jeff Meehan was extremely helpful. He gave us our options and added a few ideas of his own to the event.

The price was more than reasonable for the entire event. They set up the Fun Zone for the kids (and some adults) to play in during the entire reception, had a great bar staff, and a grounds crew on site to allow us to get some of our wedding pictures out on the ball field.

All in all it was a wonderful event, and our friends and family still talk about it being one of the best receptions that they have been to because the Power Alley Grill and staff made it a fun event and still classy at the same time. These people know fun, and we are already planning a five year anniversary party at the Power Alley Grill. Thanks again for a great time!"

"West Virginia Power Catering has partnered with us for the last several years for a pre-event party leading up to our Annual Capitol Market Green Chili Shoot Out! The night before our event, we host a kick-off party know as "Fiesta Verde" at the Power Alley Grill! Jeff Meehan and I discussed menu options, the number of guests, theme, design and layout of the space.

The night of the event we walked into the space, and it was perfect and ready to go just as we discussed! The "it" factor is the opportunity for us to utilize all the television monitors to display and view all the generous sponsors and their logos throughout the event! They take care of it all! It's simple, professional and a perfect location for our kick-off party or any event! Kudos to WV Power Catering!"

**-Tammy Bortsnar
Executive Director, Capitol Market, Inc.**

"The Power Catering completely exceeded my expectations. Jeff Meehan and his staff went above and beyond to ensure that our holiday party was a huge success.

Throughout the evening everyone I spoke to complimented the food and especially the homemade dressing. The Honey Glazed Spiral Ham was cooked to perfection. And how could we ever forget the Pecan Pie that many thought was the best they had ever had?

To sum it all up, everything was terrific. The staff was great, the decor was beautiful, the price was reasonable and the food was unbelievable. Would I choose the Power Alley Grill again? Definitely, without a doubt, for both work functions and personal functions. In fact, this will be the first place I think of!"
