SEASON TICKET HOLDER BENEFITS

As a season ticket holder, you'll get to enjoy the fun and excitement of Kernels baseball from the best seats, in the most dynamic stadium in the league, for every home game in your chosen ticket package.

Say goodbye to waiting in long lines. As a season ticket holder, you will have access to the stadium through your own special gate a full 30 minutes prior to the other gates opening. That guarantees you'll receive any special promotional items being offered throughout the season.

You'll never have to waste a ticket. If you miss a game, use our Ticket Exchange Program.

There's more. You'll have direct access to special offers, discounts at the stadium store and get the latest scoop on the upcoming home stands and special promotions with our free e-mail updates.

All season ticket holders will have their favorite seats held for them for the playoffs, and will get priority in ordering tickets for the post-season.

'ANYTIME PASS' COUPON BOOKS

Customize your own ticket package by purchasing one of our Anytime Pass coupon books. These coupons, or "anytime passes", are great for fireworks nights, entertainment acts, theme nights, noon games, Thirsty Thursdays, or whenever you want to come to the ballpark! You have the flexibility to use your passes one at a time or use them all at once – it's your choice!

Each book contains 10 anytime passes for you to exchange towards tickets in your chosen area. Anytime passes are available in premier, club, and plaza seating.

Save \$1 off the ticket window price by purchasing one book of anytime passes and save \$1.50 when you purchase four or more books at the same time.

Anytime pass coupon books make excellent gifts and rewards for employees, family, and friends. Passes can be redeemed for tickets in person by stopping by the ticket office, or over the phone by calling the ticket office at (319) 896-7560.

STADIUM SEATING CHART

Premier seats are located in the first eight rows closest to the field extending from the 3rd base visitors dugout to the 1st base Kernels dugout. Premier seats are the stadium's most comfortable individual seats, complete with cup holders.

Club seats are located behind the Premier seats and they also afford a great location to watch the Kernels in action. Club seats are comfortable, individual seats with cup holders.

Plaza seats extend from first base to just beyond the bullpen, and begin at field level. Plaza seats are reserved bleacher-type seats with backs attached.

Disabled seating is available in Club and Plaza sections.
