## The headlines read...

**Playoff Pests: Though the Chiefs are eliminated, Syracuse could put a damper on the IronPigs' playoff hopes today. Lehigh Valley currently leads Gwinnett by one game in the wild card with two to play. A Syracuse win combined with a Gwinnett loss would force the Pigs into a one-game playoff against the Braves at Coca-Cola Park.**

**Valdez-truction: Chiefs OF Jesus Valdez reached base four times yesterday, going 2 for 3 with two walks and a three-run home run. Valdez has smashed a pair of two-run home runs in the last three games. It's the first time this year he's hit home runs in two out of three games. Valdez has also driven in seven runs in the last three games - the third time he's had such a stretch this season.**

**Pretty Fly For A New Guy: Syracuse RP Christian Garcia was a standout yesterday in his Chiefs debut. Garcia tossed two hitless innings, striking out two and allowing just one walk. It was also Garcia's Triple-A debut - the 26-year old had never pitched above Double-A in his eight-year career.**

**Northern Stars: The Chiefs have clinched a winning record against the North Division this season. Syracuse is 40-37 against divisional foes with one game remaining. It's the third straight year Syracuse will finish with a winning record inside the division. Only Durham, Scranton/Wilkes-Barre, and Syracuse have had winning divisional records for each of the past three seasons.**

**Going Out With A Bang: Today is the Chiefs' 2011 season finale. Though Syracuse fell in last year's final games, the Chiefs are 5-1 in season ending-games dating back to 2005.**
