DONATION REQUEST FORM

During 2011 the Huntsville Stars exceeded the allowable amount of complimentary tickets allowed by Major League Baseball regulations. All professional baseball clubs pay fees based on their ticket usage, whether the tickets are sold or given away. Many of these requests in 2011 were for tornado relief efforts. However, all baseball teams must account for their donated tickets and all donations are subject to end-of-season audits.

Although we try to accommodate every request, sometimes requests are outside our realm and ability and we have to decline the request. Normally we will suggest an alternative. To help us streamline the hundreds of requests we receive annually, please complete the information below and return it via fax to 'Donation Request.' Our fax number is (256) 880-0801.
