

Ballpark Foods Mission

To provide our guests with great value, outstanding food and friendly service

Gameday Ordering

Pre-order prices WILL NOT be honored on orders placed on the day of the game. There will be a Gameday Menu available in your suite that can accommodate most needs and a full service kitchen downstairs for any other items found on the Skybox Menu. There will be a suite server that will take care of you during your visit to the Baseball Grounds so you never have to leave your Skybox.

Sundowner Lounge

Located on the third floor directly behind home plate is the Sundowner Lounge. This is a full service bar that can meet any of your beverage needs and prepare any orders on the Gameday Menu.

Inclement Weather

If you have pre-ordered food for your Skybox, we strongly encourage you to come to the ballpark. There are NO REFUNDS on food packages, so food will be served regardless of inclement weather. If the game is called due to rain, your group will be able to exchange tickets for any game in the 2012 regular season.

Payment

Payment can be made via cash, check or charge and must be received prior to the game. There will be an automatic service fee of 14% added to all pre-orders. This service fee is for cost of cleaning suites, preparing food and set-up; it does not count towards gratuity for the suite server.

Ground Rules

General Information

The Southern League rules prohibit any outside food or drinks from entering the Baseball Grounds. Alcoholic beverages purchased either individually or as part of a suite order will not be allowed off the premises.

All food orders will be set up approximately 30 minutes prior to game time. Beverages will be stocked before the gates are opened, so guests are welcome to come to the park early and enjoy batting practice and a cold beverage prior to the game.

Fax

Order forms can be faxed directly to the office at **(904) 358-2845** with attention to Lindsey Weeks or January Squyres. Please include contact information so orders can be verified.
