## 2011 SEASON RECAP:

The IronPigs set a franchise record with 80 wins while advancing to the International League post-season for the first time in club history only to finish two wins shy of capturing the first league championship for a Phillies Triple-A affiliate since 1983. The Pigs held either sole possession of the North Division or the Wild Card lead for 109 days of the 2011 season before capturing a playoff spot on the final day of the regular season in a rain-shortened victory over Syracuse. The IronPigs swept division rival Pawtucket in the first round of the Governors' Cup Playoff before falling in four games to Columbus in the IL's best-of-five championship round.

Guided by Hall of Fame 2B **Ryne Sandberg**, the 2011 version of the IronPigs had the unique ability to continually overcome deficits (with 40 come-from-behind victories) along with the league's most dominant bullpen that allowed the club to go a league-best 50-4 when leading after five innings.

The IronPigs surpassed the elusive .500 barrier for the first time in franchise history on Opening Day and raced to a 5.0-game divisional lead by mid-June at 42-24 overall.

The early season success was headlined by the pitching success of a pair of starters -- Minor League veteran RHP **Brian Gordon** and prospect RHP **Vance Worley**. Gordon's Triple-A mastery was unmatched in 2011, as he went 5-0 with a 1.14 ERA in 55.1 innings prior to exercising an out-clause that allowed him to sign a Major League contract with the New York Yankees on June 16. Worley went 5-2 with a 2.31 ERA in a series of early season starts for the IronPigs before being recalled by the Phillies for the fourth and final time on July 15. With the Phillies, Worley posted a spectacular 11-3 record with a 3.01 ERA during his rookie campaign.

The IronPigs bullpen was unquestionably the best in the IL, going a combined 38-16 with a 2.83 ERA and a league-best 47 saves. The bullpen was full of success stories but perhaps none more pronounced than that of former first-round pick LHP **Joe Savery**. Savery, a former two-way star at Rice, began the season as a position player in Single-A Clearwater following a sub-par 2010 on the mound (1-12, 4.66 ERA with LHV) but returned to the hill with Double-A Reading at the season's midway point before hitting his stride with the IronPigs. He went 4-0 with a 1.80 ERA with the IronPigs, earning him Phillies Minor League Pitcher of the Month honors for August and his first-ever promotion to the Major Leagues on Sept. 16.

RHP **Michael Schwimer** and LHP **Mike Zagurski** were both named mid-season All-Stars and played critical roles in the bullpen's year-long success. Schwimer led all IronPigs relievers with nine wins while also notching 10 saves. Other late-season bullpen stalwarts included RHP **Phillippe Aumont** and RHP **Justin De Fratus**, both of whom became dependable late-inning fixtures during the season's second half.

The IronPigs offense pounded their way to 40 come-from-behind wins despite finishing 11th in the IL in batting average (.256) and a league-worst .232 with runners in scoring position. C **Erik Kratz**, a native of nearby Telford, Pa., was named both a mid-season All-Star and the IronPigs 2011 Player of the Year by the Lehigh Valley media after hitting .288-15-53 and guiding the team to a 62-40 record in his 102 starts.

OF **Brandon Moss** supplied a team-best 23 regular season home runs before hitting four more during a torrid seven-game playoff stretch. Moss' team-leading 80 RBI were 25 more than any other IronPig.

Other key contributors offensively included OF **Rich Thompson**, SS **Freddy Galvis** and INF **Kevin Frandsen**. Thompson shattered his club-record of 28 stolen bases with 48 swipes in 2011; Galvis hit .298 in 33 games following a late-season promotion and played impeccable defense; and Frandsen hit a team-best .303 despite missing 59 contests with a 50-game suspension early in the season.

In addition to a club-record 80 wins, 2011 also witnessed a total of 16 IronPigs receive a promotion to Philadelphia including OF **Domonic Brown**, Kratz, Moss, De Fratus and Savery following a season-ending loss to Columbus in the Governors' Cup on Sept. 16.

The on-field success was mirrored at the gates as Coca-Cola Park was Minor League Baseball's most visited venue in 2011 with 628,985 total fans frequenting the turnstiles. The 9,249 per-game average was a franchise record and represented a slight gain over last season's mark of 9,227 that also topped Minor League Baseball.

## CLIPPER-IFIC!:

Despite falling behind 1-0 in the championship series, Columbus snapped the Pigs eight-game winning streak and took the final three games to win the Governor's Cup for the second straight year -- marking the 12th time a team has won back-to-back IL titles. The Clippers accomplished this feat 3 prior times: 1979-80, 1980-81 and 1991-92.

• It also marked the 9th IL championship for Columbus -- one behind Rochester (10) for the most in IL history.

all 144 games broadcast live on ESPN 1230 / 1320 AM and at [www.ironpigsbaseball.com](http://www.ironpigsbaseball.com) • all 72 home games televised on TV2 Sports (SECTV)

## THESE LITTLE PIGGIES WENT TO THE PLAYOFFS:

The Pigs finished the regular season with a four-game winning streak, including a 4-1 rain-shortened win 9/5 (final day of season) in Syracuse to hold off Gwinnett for the outright Wild Card win. Still, the Pigs went just 38-40 after June 16 -- when they headed to Pawtucket with a North lead of 5.0 games. Lehigh Valley held at least a share of first place for 88 straight days (5/16-8/10). The reign featured a total of 83 days in sole possession (including 82 straight, 5/17-8/6) with a lead as large as 6.0 G (6/11-12). The Pigs held either sole possession of the North Division OR the Wild Card lead from 5/16-8/28 -- a span of 105 consecutive days -- and for 109 days of the 2011 season.

## PHILLIES TRIPLE-A TEAMS IN POSTSEASON:

The Pigs first postseason series win -- its first-round sweep of Pawtucket -- was the first by a Phillies' Triple-A affiliate since the SWB Red Barons defeated Buffalo, 3-2, in 2001 (Round 1). They next lost in the finals in 2001 to Louisville, 1-to-0 in a series shortened due to 9/11... Prior to this season, the Phillies Triple-A clubs had not been to the postseason since 2006 -- when the Red Barons won the North but were defeated by Wild Card Rochester, 3-to-1. Prior to that, SWB went to the postseason for four straight seasons 1999-2002... The only other postseason series they won as SWB was the first round of 1992, defeating Pawtucket, 3-to-1.

• *The last Phillies Triple-A league title was when the 1983 Portland Beavers won the PCL (defeated Albuquerque).*

## JUST WASN'T IN THE CARDS:

The Pigs fell short of becoming just the fourth Wild Card to win the IL title since the league expanded to 14 teams and three divisions in 1998. The previous such teams were Charlotte (1999), Richmond (2007) & Columbus (2010).

## RESILIENT PIGS:

The Pigs played like a resilient bunch throughout the season -- as evidenced by coming from behind to win in 40 of their 80 (50%) victories in 2011 and winning four straight games to end the season.

## WHO FINISHED HOT (PT. 1)

**1B Cody Overbeck** hit in his last 7 G (12-24, .500-0-0, 2 R) and in 14 of his last 15 G (20-45, .444-1-7). In fact, since 8/11, he hit .415-3-9 in 20 G (27-65) -- and only PAW's Hector Luna (.430-2-15) had a higher AVG... INF **Kevin Frandsen** hit in 15 of his last 18 G (28-71, .394-0-11, 3 2B, 3B) -- with the 5th best AVG in the IL during that span... OF **Brandon Moss** finished with a 6-G hitting streak (10-26, .385-0-3) and in 9 of 10 G (16-41, .390-1-6). After 8/9, he hit in 17 of his last 21 G (29-81, .358-4-16, 9 2B) -- 5th best AVG during that span... SS **Freddy Galvis** hit safely in 19 of his last 25 G (28-90, .311-0-4, 9 R) and went a combined .323-1-14 (61-189) in his last 49 G overall since 7/15 (REA+LHV)...

## WHO FINISHED HOT (PT. 2)

LHP **Joe Savery** went unscored upon in 13 of his last 14 G (2-0, 0.47, 2 SV, H; 19.0 ip, 1 er, 3 bb, 22 k)... In his last 4 GS, LHP **Ryan Edell** went 2-1, 1.11 ERA (32.1 ip, 24 h, 7 r, 4 er, 2 bb, 27 k) and finished 5-3, 2.41 (67.1/18) in his last 15 G, 8 GS -- 2nd lowest ERA in the IL from 6/27-on... In his last 3 GS, RHP **Brian Bass** was 2-1, 0.93 (19.1 ip, 2 er, 14 k) -- and didn't allowed an ER in his last 2 GS or a R in his last 10.1 ip... LHP **Ryan Feierabend** went 1-0, 1.00 (9 ip, er, 8 k) in his 5 relief appearances... RHP **Justin DeFratus** was 0-0, 1.00, 5 SV (9 ip, er, 16 k) in his last 6 G...

## NUMBERS DO LIE!:

According to the "Pythagorean Win-Loss" on baseball-reference.com -- which is a predicted record based on a team's runs allowed & runs scored -- LHV "should've" finished 76-68 (a swing of 4 G)... and 8.0 GB in North; 2.0 GB in WC!

## TRIPLE CROWN!:

With the win on 9/3, the Pigs have clinched a winning record against the North Division (41-37). With that, the Pigs will now finish with a winning season versus all 3 divisions for the first time in franchise history.

## SOME THINGS TO REMEMBER ABOUT THE PIGS (REGULAR SEASON):

- The Pigs came-from-behind to win in 40 of their 80 (50%) victories.
- The Pigs bullpen finished the season 38-16, 2.83 ERA with an IL-leading 47 SV.
- The Pigs led the IL when leading after 5 innings at 50-4 (.926).
- The Pigs starting rotation had a 3.03 ERA in the final 24 games (had been at 4.47 prior).
- The Pigs finished last in the IL in batting w/ RISP (.232) & with RISP w/ and 2 outs (.199).
