**MY ORGANIZATION WOULD LIKE TO VOLUNTEER THEIR SERVICES FOR:** *(check all that apply)*

- ◇ **Parking Assistance:** Parking lots within a several mile radius will need to be utilized for the greatest success of this event. Any organization who owns a parking lot in the near area will be encouraged to charge a nominal parking fee for attendees, as well as staff the lot during this event. The proposed parking fee will be \$10 per car. (for example, churches in the area could allow their youth group to staff & charge for parking in their church lot as a fundraiser) In return, the Visalia Freedom Celebration team will promote these parking locations & the groups they are benefiting.
- ◇ **Water Vendor:** Inside the event, community organizations will be allowed to sell bottled water as a fundraiser for their organization. Each of these community groups will be required to bring their own tables, water bottles, shade tent & staffing.
- ◇ **Ice Distribution:** The Visalia Freedom Celebration team will provide an ice truck for this event & would like a community group to assist with ice distribution to vendors throughout this event. That community group would charge vendors a fee for the ice they deliver, and that community group would keep all of the proceeds they collect.
- ◇ **Activity Coordination:** Community groups could take on organizing an activity as part of the event. Some examples may include a skateboarding contest, pickleball tournament, 3-point shoot out, singing contest, etc.
- ◇ **Event Trash Clean Up:** The Visalia Freedom Celebration team will also make donations to organizations who would like to assist with trash clean-up during the event, or any post-event cleanup needed.
