## TONIGHT'S GAME

The South Division champion and defending Governors' Cup champion Durham Bulls take on the Wild Card winner Pawtucket Red Sox in Game Two of the Best-of-Five Governors' Cup Final, a rematch of the 2013 Final which Durham won 3-1. Durham - which won the South Division by 9.0 games over Norfolk - is seeking back-to-back Governors' Cup titles, and the franchise's fifth in the last 13 seasons. Pawtucket - the 2012 Governors' Cup champion - is playing in its third straight Governors' Cup Final, and is seeking its fourth crown since joining the IL in 1973 ('73, '84, '12). The rematch is only the sixth time since 1933 the same two teams will meet in the Governors' Cup Final as the year before, and the first time since 2008-09 when Scranton/WB and Durham met.

## ABOUT LAST NIGHT

Durham dropped the series opener 3-2 to Pawtucket, stranding five runners on base in the last two innings. The PawSox scored a single run in each of the first three innings, while OF **Mikie Mahtook's** two-out, two-run single in the third provided the only offense for the Bulls in the contest. RHP **Doug Mathis** and RHP **Cory Burns** combined for five innings of shutout relief.

## WHEN TRAILING 1-0

In the Charlie Montoyo era (2007-present), Durham is 3-3 in playoff series in which they have trailed 1-0. The 2014 Governors' Cup Final marks the third straight postseason series Durham has trailed 1-0 dating back to the 2013 Governors' Cup Final.

## IF YOU MESS WITH THE BULLS' PEN, YOU'RE GONNA GET THE HORNS

RHPs **Doug Mathis** and **Cory Burns** combined for five scoreless relief innings last night, allowing just one hit and one walk. After allowing five earned runs in three innings in Game One of the First Round, Durham's bullpen has allowed one run on seven hits over its last 16.0 innings (four games), good for a 0.56 ERA. The unit has posted a 0.95 WHIP this postseason (19.0 IP, 14 H, 4 BB).

## 2014 SERIES WITH PAWTUCKET

The Bulls and Red Sox met eight times this season - all over a 29-day span from 6/3-7/1 - with the PawSox taking the season series 5-3 for the second straight year. The Bulls were held to just a .224 team average against Pawtucket and scored just 27 runs (3.4/game), and were shut out twice, each by RHP **Anthony Ranaudo** - the 2014 IL's Most Valuable Pitcher who is now with Boston. Conversely, Durham pitching posted a 5.20 ERA (71.0 IP/41 ER), surrendering five runs or more five times, including 3-of-4 games in Pawtucket from 6/28-7/1 when the PawSox went 3-1.

## A LOOK BACK

Durham and Pawtucket meet for the second straight season in the Governors' Cup Final after the Bulls bested the PawSox 3-1 in last year's final. In that series, Pawtucket earned the win in Game One before Durham came back to win three straight for the series win. The Bulls posted a 0.66 ERA over the four games (41.0 IP/3 ER), and did not allow a run over the series' final 29 innings. The PawSox hit just .129 in the four games (17-for-132, 1 XBH).

## HISTORY LESSON

2014 marks Durham's seventh playoff appearance - and seventh division championship - in eight seasons since manager Charlie Montoyo took over in 2007. Since joining the IL in 1998, Durham has captured four Governors' Cups, 12 South Division titles and 13 playoff berths (2004 Wild Card). 2014 marks Durham's 10th Governors' Cup berth in 17 seasons in the IL, and marks the third time these two teams have met in the Governors' Cup Final, as Durham captured its second league crown in 2003 over the PawSox.

## CLOSE CALLS

Durham's last four games have been each decided by three runs or fewer, following a Bulls' trend from the regular season. Dating back to 8/15, 18 of Durham's 23 games have been decided by three runs or fewer, with the Bulls going 13-10 in that span. Dating back to the start of the 2013 postseason, 11 of Durham's 13 playoff games have been decided by three runs or fewer.

## SOUTHPAW STRUGGLES

After beginning the season 7-2 against left-handed starters, the Bulls went just 9-16 the rest of the regular season against southpaws. However, the Bulls actually hit left-handers better (.250) than they did right-handers (.248) in 2014. The Bulls are 1-1 in games against left-handed starters this postseason, and are scheduled to face a left-hander in each of the next three games.

**CHARLIE'S CHASE**

Bulls skipper Charlie Montoyo is attempting to become the 10th manager in IL history to win back-to-back Governors' Cups, and the first since Columbus' Mike Sarbaugh who did so in 2010-11 (Durham's Bill Evers did so in 2002-03). Additionally, Montoyo would become just the fifth manager in IL history to win three Governors' Cups, and first since Frank Verdi who won two with Syracuse (1969-70) and one with Columbus ('81).

**NOT THEIR FIRST RODEO**

Durham returns eight players who saw action in the 2013 Governors' Cup playoffs in pitchers **Merrill Kelly, Adam Liberatore, CJ Riefenhauser** and **Enny Romero**, and position players **Tim Beckham, Vince Belnome, Cole Figueroa** and **Mike Fontenot**. Additionally, LHP **Mike Montgomery** was on the 2013 roster but did not pitch, while INF **Ray Olmedo** was on the Bulls' 2009 and 2011 playoff squads.

**OFFENSIVE STRUGGLES**

After leading the IL in batting average in 2013 (.267), Durham finished last in the IL in 2014 with a .248 team clip. The squad ranked second-to-last in the IL with 3.98 runs/game and 1,180 hits. From 6/1 through the end of the season, Durham hit just .239 as a team. Dating back to the start of the 2013 postseason, the Bulls have been held to four runs or fewer in 11 of 13 playoff contests, and have averaged just 3.1 runs/game. The Bulls are 40-for-169 (.237) this postseason, and hit just .214 in last year's Governors' Cup playoffs.

**LET'S STAY TOGETHER**

The Bulls lost only two players to the Tampa Bay Rays for the September 1st call-ups in RHP **Brandon Gomes** and RHP **Steve Geltz**, each relievers, while RHP **Nathan Karns** will start Friday for Tampa Bay in place of LHP **Drew Smyly**. Of the 13 position players on Durham's playoff roster, seven played 90 games or more, while of the 12 pitchers, nine made at least 20 appearances.

**YEAR OF THE PUNCHOUT**

This season, Bulls pitchers recorded the most strikeouts in the league (1,220) while Bulls batters struck out the most in the league (1,198). The last team to "lead" the league in both categories was the 2007 Durham squad, which registered 1,103 strikeouts on the mound and 1,222 strikeouts at the plate. Durham pitching also led the league in punchouts in 2013 with a league-record 1,246.

| MOST STRIKEOUTS (MLB) |              |
|-----------------------|--------------|
| Great Lakes (A)       | 1,256        |
| Stockton (A+)         | 1,254        |
| Nashville (AAA)       | 1,236        |
| <b>Durham (AAA)</b>   | <b>1,220</b> |

**STRIKEOUT-TO-WALK RATIO**

Durham's 2.58 strikeout-to-walk ratio was the second-best in the IL (1,220/473) in 2014, trailing only Columbus which posted a 2.61 clip (1,072/410). From June 1st through the end of the season, the Bulls' 2.69 mark (693/257) was the best in the IL. This postseason, Durham has posted a 4:1 mark (52/13).

**WHITE WASHING**

Durham finished the season with a 15-11 record in shutout affairs. The 15 shutouts posted was tied for the most in Triple-A Baseball (Syracuse, Iowa), while the 11 shutout losses were tied for the second-most in Triple-A (Rochester, 13). The 15 shutout wins were the most the Bulls have posted in the Charlie Montoyo era (2007-present).

**SAVE THE DATE**

LHP **Adam Liberatore** is 2-for-2 in saves this postseason, converting a chance in Games Two and Three of the First Round against Columbus. The 2014 Durham squad tied Single-A West Michigan for the most saves in Minor League Baseball with 49.

**SOUTHERN COMFORT**

Despite posting the sixth-best record in the IL, Durham was the first team to clinch a playoff spot on 8/25, aided by a 38-26 record against the South Division. The IL South's .467 winning percentage was the worst in Minor League Baseball in 2014. Against the other three IL playoff teams, Durham went 9-15 (CLB: 6-2, SYR: 0-8, PAW: 3-5).

**IF YOU'RE NOT FIRST YOU'RE LAST**

Durham spent 145 of 153 days with either a tie or sole possession of first place in the IL South in 2014, including holding sole possession for the final 102 days of the season. Despite going just 41-46 from June 1st through the end of the season, Durham's division lead was never smaller than 3.5 games the rest of the way. After the All-Star Break, the Bulls never saw their division lead shrink below 6.5 games.

**SWIPE IT LIKE IT'S HOT**

In the regular season the Bulls were 87-for-114 (76%) in stolen base attempts, the best success rate in the IL. Dating back to August 1st, the Bulls are 26-for-31 in stolen base attempts, and have been successful their last four tries.

**THIS IS SERIES**

Durham finished the regular season 15-13-13 (W/L/T) in 41 series this season. In 21 series against the South Division Durham went 11-5-5, but against all other teams went just 4-8-8. Their four series wins outside of the South Division came 4/26-4/29 vs SWB, 5/22-5/25 @ CLB, 5/30-6/2 vs LHV and 7/10-7/12 @ BUF.
