**LAS VEGAS BALLPARK HISTORY:** The Howard Hughes Corporation® (NYSE: HHC) announced on October 10, 2017 its plans to develop and construct a baseball stadium in Downtown Summerlin® on approximately eight acres just south of City National Arena, the National Hockey League practice facility for the Vegas Golden Knights. The announcement on October 10, followed a vote by the Las Vegas Convention and Visitors Authority Board of Directors approving a marketing partnership that gives **LVCVA** naming rights to the stadium. The Las Vegas Ballpark was designed by HOK, a global architecture firm with an expertise in stadium design and constructed by **HUNT/PENTA**.

The groundbreaking ceremony took place on Friday, February 23, 2018 before a crowd of several hundred people! The 10,000-fan-capacity stadium blends the distinct architectural style of the Summerlin® community with the aviation legacy of Howard Hughes. The ballpark will provide a wide range of seating options including 22 suites, club seats, berm seating, party zones and decks, picnic tables, kids’ zone, bars and even a pool beyond the outfield wall. Designed to create a festival-like atmosphere in Downtown Summerlin, the site will be landscaped to complement the master planned community. Parking is conveniently located on adjacent sites.

**LAS VEGAS AVIATORS LOGO AND INFORMATION:** The Howard Hughes Corporation®, owner of the city's professional Triple-A baseball team of the Pacific Coast League (PCL), and developer of the Summerlin® master planned community and the Las Vegas Ballpark® located at Downtown Summerlin®, announced on December 8, 2018 the team's new name - the **Las Vegas Aviators®**.

The name change completed a rebrand that included the team's new two-year Player Development Contract (PDC) with the Oakland Athletics and the opening of the Las Vegas Ballpark, the new, state-of-the-art Triple-A baseball stadium, that will serve as the new home of the Aviators!

According **David Weinreb**, CEO of The Howard Hughes Corporation, the name change pays homage to the company's namesake, **Howard R. Hughes, Jr.**, one of the twentieth century's most successful businessmen whose passion for aviation and legacy of innovation includes significant aviation-related firsts and accomplishments. In the H-1 Racer, a plane he designed and built, Hughes set the land speed record of 352 miles per hour in 1935. Hughes went on to set other records, including the fastest coast-to-coast flight in 1937 and the fastest circumnavigation of the globe in 1938, then acquiring and successfully operating major airlines and aviation companies.

"Hughes' vision and ambition were unmatched," said Weinreb. "That, along with his imprint on Las Vegas where his legacy has helped shape the community for more than three decades, makes the decision to name the team in his honor

an easy one. The Las Vegas Aviators is the perfect name for the city's oldest professional sports team, one that is now launching an exciting new chapter with a brand-new stadium in Summerlin and a new major league affiliation."

The name, the Las Vegas Aviators, was chosen from hundreds of names submitted by the general public through a competition in which the community was invited to participate in the naming process. According to Weinreb, the Aviators was a popular name nominated by many Southern Nevadans."

Everyone is excited about our new name," said **Don Logan**, Aviators President and Chief Operating Officer. "With new ownership, our move into the Las Vegas Ballpark and our new professional affiliation, this is the perfect time to rebrand the city's beloved baseball team. The Aviators was a popular nomination from our fans, and it's a fitting new moniker for the city's first professional sports franchise as we start our next exciting chapter."
