### SCOUT NIGHT RULES AND REGULATIONS

**After purchasing your scout sleepover packages, please read the following information to help you plan for a successful overnight stay at Victory Field and share with others in your pack/den/troop:**

- Please follow our on-field rules, which include: no stakes, no spray of any kind on the field, no food and beverage (water is okay) on the field, no coolers or wagons (all materials must be carried on the field).
- Once the game ends, please bring your vehicles into our parking lot for overnight parking.
- Popcorn and water will be available in the stands during the beginning of the movie. You can pick this up in the Elements Financial Picnic Area before the movie begins. Please enjoy your snack in the stands, not on the field.
- Your Scout sleepover patch will be available for pickup with the popcorn and water.
- Everyone will watch the first half of the movie from the stands. We will pause the movie half way through to move down to the field.
- Please clear the stadium no later than 8:00 a.m. the following morning.
- If heavy rain is in the area overnight, please pack accordingly and be prepared to sleep on the concourse.
- The sleepover may be cancelled due to inclement weather. If this occurs, we will communicate this to you during the end of the game and a makeup date will be announced with instructions on how to receive new sleepover tickets and wristbands.
