ALCOHOLIC BEVERAGES
At Ovations, we encourage the responsible consumption of fine wines, distilled spirits, and craft beers in moderation. It is the responsibility of the suite holder or host to monitor and control alcoholic beverage consumption within the suite.
- State ordinance prohibits alcohol beverages from entering or leaving the facility grounds.
- Minors under the age of 21 are not permitted to consume alcoholic beverages at any time.
- Your Suite comes with a refrigerator and liquor cabinet for your beverage service.
- Ask your representative about specialty bar packages. A perk of being a suite holder is the ability to set a standard “bar-par” that will be filled and completed each and every event, unless otherwise noted.
- Please refer to your Suite Attendant for last call times.
- Cans and bottles may not be taken outside of your suite or outside of the venue at any time.
- Please pour beverages into the plastic cups provided.
- Ovations staff can deny you the sale of alcohol or beer at anytime.

BE A TEAM PLAYER- DRINK RESPONSIBLY

FOOD REMOVAL GUIDELINES
Due to the length of time that food will be held in the suites during an event, Ovations has concerns over the wholesomeness of this product when taken off-property for later consumption. Given this disposition, it is our strict policy that all leftovers must stay in the suite. No food is to be removed from the suite and taken off of the property at any time.

SECURITY
Please remove all personal property from the suite when leaving the property. Ovations Food Services cannot be responsible for any misplaced property left unattended in your suite.
