## 2017 SYRACUSE CHIEFS INTERNSHIP PROGRAM

The Syracuse Chiefs professional baseball club is a member of the Triple-A International League and the top Minor League Baseball affiliate of the Washington Nationals.

The Chiefs offer two different internships throughout the organization:

- Group Sales & Ticketing – 3 position available
- Graphic Design – 1 position available

Syracuse Chiefs interns must receive credit for their internship through a legitimate college or university. Interns will each receive up to a \$500 per month stipend to go towards the payment of the credits received during the course of the internship. Interns will be paid an hourly rate (\$9.00/hour or minimum wage) to work Chiefs home games or other extra events. All other expenses arising from the acceptance of an internship with the Chiefs are the sole responsibility of the intern.

The Chiefs are committed to providing each intern with an environment that fosters training for their own educational benefit. Daily responsibilities of each intern will vary depending on departmental needs. Game-time intern responsibilities will depend upon staffing needs. The following is a brief overview of departmental responsibilities:

- **Group Sales & Ticketing** – Interns will learn to make cold calls to gain experience selling tickets, etc. to fans, businesses and charitable organizations. Interns will learn to use Glitnir Ticketing system to sell game-day tickets, track sales calls, etc. Interns will learn to book group outings and birthday parties. Interns will learn what it takes to put together theme days and big group events (i.e. Education Day).
- **Graphic Design** – Interns will learn to use Daktronics software. Interns will learn how to run a game from a multimedia production point-of-view. Interns will learn the basics of Minor League Baseball standards for creating visual content (head shots, posters, advertisements, billboards, etc.). Graphic design experience required. Experience with cameras and production equipment required.

Interns will be expected work Monday through Friday, 9 a.m. to 5 p.m., and select nights and weekends for the duration of the internship. Interns should plan to be available for all home Chiefs games, including nights and weekends. If an intern should need time off during the course of the internship, proper notice is required. This internship is a full-time commitment, so please consider your other priorities and responsibilities before applying.
