

days at the ballpark

**Did you know that 2 different grass types are used on the baseball field?**

**Four different software programs are in action during each baseball game.**

**The Rawhide's grandstand is a pile of dirt with a cement shell & seats over 800 people.**

**If a baseball player gets a hit once every 3 at-bats his whole career, he would be inducted into the Hall of Fame.**

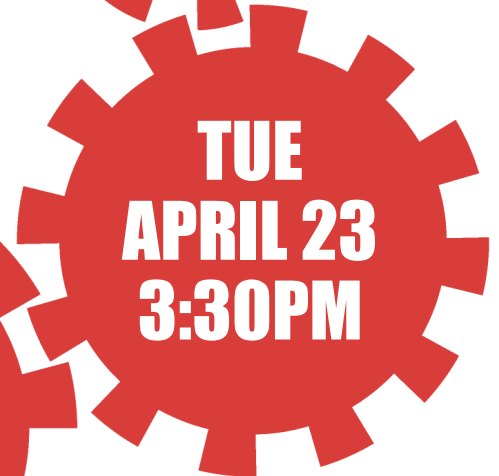

Book your classroom outing at the ballpark for the 2019 season to take part in our S.T.E.M. education program!
