3:00PM: VIP ENTRANCE Ask about our VIP Entrance offer to gain early access to an autograph session of both North & South team All-Star players & coaches!

4:00PM: GENERAL ENTRANCE If you don't have VIP Entrance, no worries! The gates open for all fans at 4pm! You'll be welcomed by live music, tons of activities for kids including a rock wall, mascots will be available for photos, and the first round of segmented autographs—you will still have the chance to get autographs from all players, but they will be segmented into waves throughout the event. Also at 4pm, you will have the opportunity to hit a baseball blindfolded as a fundraiser for the Junior Blind of California!

5:30PM: BEEP BASEBALL GAME To kick off the on-field festivities, kids involved with Junior Blind of California programs will be welcomed on-field to begin the "Beep Baseball Game". This is a form of America's greatest pastime that can be played blindfolded. Watch as some of the California League All-Stars try their hand at hitting & running to first base blindfolded! At this time, round #2 of autographs will begin. *(Look for more information on autograph sessions & who will be in each of the rounds on the Rawhide Facebook page!)*

6:30PM: HITTING CHALLENGE At this time, top high school baseball & softball players in the Visalia area will square off against each other in a hitting challenge opportunity to win scholarship cash! This challenge will involve targets throughout the field, each representing scholarship money to be had, thanks to our partners. The winner of both the boys & girls events will receive \$500 thanks to the Rawhide Baseball Foundation for Kids. *(Look for more information on how to be a Hitting Challenge participant, in the Community section of the Rawhide website!)* Round #3 of autographs will also begin at this time.

7:30PM: ALL-STAR SKILLS CONTEST Finally the All-Star players will take to the field to show off their skills...but with a Rawhide twist! Challenges will include, lemon throwing, cow milking, lasso roping, and more!

8:00PM: HOMERUN DERBY To conclude the festivities, one chosen player from each of the California League teams will participate in the traditional Home Run Derby. The structure will be fashioned after the MLB competition, with 2 minutes per player, and a 4-against-4 bracket. Events should conclude by 8:30pm.
