FIRST STEP IN GROWING AS AN ATHLETE

Help us help players in your hometown build on their GREATNESS! Baseball Factory puts on National Evaluation and Tryout Events in all 50 states and over 150 cities. Over the last 25 years, 50,000 high school coaches have NOMINATED over 250,000 players to our program. As a result, we have helped obtain over \$1 BILLION in college scholarships.

Athletes that attend our UA National Events get WORLD CLASS unbiased evaluations and instruction from our PROFESSIONAL scouts and coaches. We test each athlete in the following categories below to create a "NATIONAL" baseline for the athlete to LEARN from and grow STRONGER athletically and mechanically. Our goal is to HELP each athlete achieve their INNER GREATNESS and have a chance to play college baseball one day.
