

## MAKE YOUR OWN MASCOT!

Teddy has lots of friends, but he would love to meet another! Draw your own mascot next to Teddy.  
Give your mascot a creative name and write it at the top of your picture.

## AFTER THE BALLGAME

Teddy and his friends are having a ball! Using your picture above, write your own short story about Teddy and your mascot and their crazy day at Dr Pepper Ballpark.  
Include adjectives and imagery to give your story descriptive details. (Hint: adjectives are describing words and imagery uses your 5 senses).
