The Shorebirds will announce all Rain Outs on the team's website and social media accounts, such as Facebook & Twitter.

A game will be considered a rain out in the following instances...

-The game is called before the scheduled start

-A game is called prior to the completion of 5 inning, or 4.5 innings with the home team winning.

Tickets for games that are considered Rain Outs are exchangeable for a ticket of equal or lesser value at the Box Office, based on availability. These exchanges may only be completed at the Box Office. They may not be done over the phone or via email.

If a game is called after the completion of 5 full innings, or 4.5 innings with the home team winning, it will be considered a complete game.
