Markus is thrilled to join the Rawhide for the 2019 season following previous stops with the Stockton Ports, the Hickory Crawdads, the Portland Sea Dogs, and the Quad Cities River Bandits. Prior to his work in MiLB, Markus was involved with the University of Iowa Athletics Department focusing on ticketing and NCAA compliance. While Markus is a huge fan of all Iowa athletics (he will welcome any conversations about collegiate wrestling), baseball is the game of his childhood and since he wasn't any good at playing it, he is forced to work in it.
