

WELCOME TO FUNNVILLE

Welcome to Funnville! The Flying Squirrels have given a name and brand identity to the core of what the Flying Squirrels experience is all about. Funnville is an environment where memories and experiences transcends the physical boundaries of the stadium.

The tangible entrance into Funnville will be designated with a 60-foot wide Funnville inflatable arch to be placed at the parking lot entrance along Boulevard. The team will wear special Funnville uniforms on Sundays and dedicate the upper 3rd base concession stand to rotating FUNN menu items throughout the year..
