Born and raised just outside of Amity, Oregon, Jennifer found herself attending college at Lee University in Cleveland, Tennessee where she earned a BA in Business Administration while playing softball for the Lady Flames. After graduation, Jennifer started as an Executive Assistant for the Visalia Oaks in 2007. She quickly fell in love with the town, Top of the Third ownership philosophies, and what the ballclub had planned for the future, and has been in Visalia ever since. After assisting with the ballpark renovation process and team rebranding, she was named Assistant GM in 2009. Continued ballclub growth led to her promotion to General Manager after the conclusion of the 2012 season. Jen is a proud member of Visalia County Center Rotary, Vice President for Tulare County Networking for Women, Visalia Breakfast Lions Club, United Way of Tulare County Women's Leadership Council, United Way of Tulare County Grant Committee, Board of Director for the Visalia Convention & Visitor's Bureau, and volunteer for the Visalia Miracle League. Jennifer currently lives in the orange groves and rolling hills just outside of Visalia with her husband, Clayton, and son, Maverick.
