

Barons Community Hero Entry Form

The Barons Community Hero program is designed to recognize the true, everyday heroes who live and work among us. Whether current/former military personnel, law enforcement, firefighter, EMT, teacher or a volunteer who has made a difference in the Birmingham community, the Barons want to recognize those unsung heroes. Please fill out the form below and explain in 50-100 words why this person is a community hero.

You may return this completed form during any home game at the Guest Services table (located on the main concourse near the front gates) or emailed to Media Relations Director Tyler Brown (media@barons.com) with "Community Hero Entry" as the subject field. Five will be selected and honored during Barons Community Heroes Week July 28 – August 1 as Birmingham hosts the Mississippi Braves. Entry forms due by May 31. Please print.

Your name: _____

Your home address: _____

Your email: _____
